

Update: utility works on College Crescent, South Hampstead

August 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Extended work hours

We wrote to you in July to let you know that we will be carrying out works to divert the gas main in South Hampstead from 21 July 2025 to 17 July 2026. Phase one of these works, on College Crescent, is ongoing until **21 September 2025**.

Our core working hours are from 8am to 6pm Monday to Friday, and from 8am to 1pm on Saturdays.

On some Saturdays we may need to work extended hours, from 8am until 6pm. During the extended hours we will keep noisy works to a minimum.

Bus stop suspension - phase one

During phase one, **bus stop G on College Crescent is suspended**. Bus stop F on College Crescent will remain open.

Please plan ahead of any travel using buses in this area during the works. You can find the latest updates at www.tfl.gov.uk/plan-a-journey.

Virtual one to ones

We are holding virtual one to one sessions every second Tuesday from 4pm to 6pm from 12 August 2025. This is an opportunity to speak with our community engagement team about the works in your area.

You can book a 20-minute session at hs2.org.uk/events or by scanning the QR code with your smart phone camera. The sessions will take place on Microsoft Teams.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Update: utility works on College Crescent, South Hampstead

Notification

College Crescent – works ongoing until 21 September 2025

We have extended our work area on College Crescent by about 20 metres. This is to allow our vehicles to safely enter and exit the site from Avenue Road. We cannot enter the site via College Crescent due to unrelated emergency utility works at that location. This is not expected to have any additional impact on traffic flow. We have updated the cyclist diversion as shown on the map below.

We apologise for any disruption these works may cause.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
