

Gas survey on Delancey Street

April 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

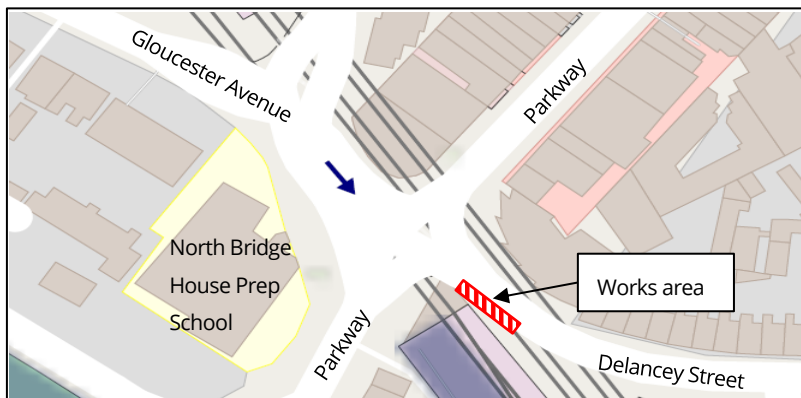

Lane closure on Delancey Street – 10 to 11 May 2025

On Saturday 10 and Sunday 11 May 2025, we will dig a new trial hole to survey a Cadent Gas main. This will inform the design for our future utility works in this area. We previously did a similar survey in March 2025, and are required to re-visit for further investigations.

We will close a section of the left-hand lane and footpath on Delancey Street while still allowing vehicles to turn left on to Parkway and maintaining access for cyclists and pedestrians.

We will carry out this work on the weekend to minimise traffic disruption.

There may be some periods of increased noise as we break out concrete. We apologise for any disruption this may cause.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk
