

Update of borehole survey, Queen's Park

June 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

What we are doing

We wrote to you in May 2025 to let you know that we would be carrying out a borehole survey on Oliphant Street in Queens Park. This work was postponed and will now happen on **Tuesday 3 June 2025**.

We will be lifting the manhole cover to take some measurements and photographs of the borehole beneath.

How might this affect you

We will need to suspend up to three parking bays for about an hour between 8am to 5pm. The work area and parking bay suspension is shown on the map below. This work will not be noisy. We will open the parking bays once we have completed the survey.
