

Notice of Waddesdon Greenway closure

May 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

To enable the construction of a permanent water course diversion in this location we need to move the existing Greenway diversion onto a new temporary alignment.

A new asphalt surfaced temporary diversion route will be created. It will maintain public access along the Waddesdon Greenway and allow the continuation of permanent works in this area.

In order to complete this realignment, there will be a closure of the Waddesdon Greenway for three days during May 2025.

When will these works take place?

There will be a 24 hour closure of the Waddesdon Greenway starting at **8.00am on Wednesday 14 May**.

The Waddesdon Greenway will re-open at **5.30pm on Friday 16 May**

These dates may change due to conditions outside of our control. Please refer to the HS2 website regularly to check for any changes and updates.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
