

## Notice of abnormal load deliveries A413 and Nash Lee Lane

May 2025 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at [www.hs2inyourarea.co.uk](http://www.hs2inyourarea.co.uk).

### What are we doing?

We will have multiple large deliveries on the A413 for the Nash Lee overbridge construction, starting at the end of May 2025.

Due to the size of the precast steel beams (30m in length), they are classed as abnormal loads. On average, one steel beam will be delivered per night, with a maximum of two deliveries on any given night.

To safely deliver these beams, temporary overnight 3 and 4 way traffic management on the A413 and Nash Lee Lane will be set up. The abnormal load delivery route is shown in the maps below.

### When will these works take place?

These abnormal load deliveries will commence from May 2025. Associated traffic management will be in place overnight between **8.30pm-5:30am** when a delivery is made, subject to road and weather conditions.

- Wednesday 28 May to Saturday 31 May
- Monday 2 June to Saturday 7 June
- Tuesday 17 June to Saturday 21 June
- Monday 23 June to Thursday 26 June

These dates may change due to conditions outside of our control. Please refer to the HS2 website regularly to check for any changes and updates.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

### Duration of works

Overnight abnormal load deliveries from 28 May – 26 June 2025, 8:30pm to 5:30am.

### What to expect

Off-peak temporary 3 and 4 way traffic management for the delivery of the steel beams.

Loads will normally be delivered subject to normal road and weather conditions.

### What we will do

Minimise disruption as much as possible for the community by careful timing of deliveries overnight, avoiding peak times.

Provide updates for communities and maintain regular contact with emergency services.

Notification

## What is the wider route that will be used to deliver the steel beams?

The precast steel beams will be delivered via the M40, where they will exit at Junction 1 for the A40. They will then continue their journey north on the A413 to enter into our Nash Lee Lane compound, near Wendover. The six traffic lights

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)

## Property and compensation

You can find out about HS2 and properties along the route by visiting:

[www.gov.uk/government/collections/hs2-property](http://www.gov.uk/government/collections/hs2-property)

Find out if you can claim compensation at:

[www.gov.uk/claim-compensation-if-affected-by-hs2](http://www.gov.uk/claim-compensation-if-affected-by-hs2)

## Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:

[www.hs2.org.uk/in-your-area/contact-us/how-to-complain/](http://www.hs2.org.uk/in-your-area/contact-us/how-to-complain/)
