

Notice of overnight road closures, A413 London Road, Wendover

May 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In May to June, we will be continuing with construction at the Small Dean Viaduct. This will involve lifting precast concrete segments, pouring the bottom slab of the viaduct.

To prevent the risk of concrete dripping onto the road onto the A413, there will be overnight closures of the road to complete these works safely.

To reduce impact on road users, these closures will be in operation at off-peak times.

When will these works take place?

Overnight road closures (8:30pm – 5:30am):

- **Tuesday 6 May – Friday 9 May**
- **Wednesday 18 June – Saturday 21 June**

To minimise disruption, we will introduce a fully signposted diversion route.

These dates may be subject to change due to circumstances outside of our control but works will be completed in or around the set timeframes.

Should our works be completed earlier than anticipated, we will commit to reopening the road upon completion.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
