Adelaide Road weekend works and road closures

May 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Weekend works and road closures

From **6am on Saturday 7 June to 12 midnight on Sunday 8 June 2025**, we will be closing a section of Adelaide Road between Primrose Hill Road and Eton College Road/Bridge Approach. Part of Fellows Road and Eton Road will also be closed.

The closure is needed to safely remove some non-essential welfare units from the Adelaide Road site. From **8am to 6pm each day**, we will be removing the units, as well as surveying and filling existing boreholes within this section of Adelaide Road.

The maps on the following pages show the road closures, works area, vehicle and cyclist diversions.

What to expect

Traffic management, including vehicle and cyclist diversions will be in place at all times during the road closures. Vehicle access to Beaumont Walk will be maintained for residents and emergency services only.

Pedestrian access will be maintained at all times.

You may hear noise from vehicles and machinery such as a crane, pump, and generator. Acoustic hoarding will be in place for borehole surveying and filling to minimise disruption to residents.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk
