

Temporary weekend closure of M6 junction 4 southbound exit slip road – near Chelmsley Wood

May 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

The M6 South viaduct will carry the new high-speed railway over the M6 motorway and adjoining slip road, near Birmingham Business Park, Birmingham Airport and the NEC in Solihull.

The construction of the viaduct has been progressing next to the motorway with 94 piles installed and eight piers and two abutments being completed.

The next phase of works over 2025 and 2026 will be to install the east and west bridge decks. To reduce disruption for motorists, the twin 320-metre-long viaduct decks are being assembled to one side and will be slid over the road over a series of weekends, with each section pushed out before later sections are added behind them. This construction technique significantly reduces the need of long-term motorway and slip road closures during these works.

Each bridge deck (east and west) will be launched separately in three phases. Launching each of the bridge decks across the eight piers will require temporary weekend closures of the M6 Motorway and adjoining slip roads.

To safely carry out the first phase of launching the East bridge deck, across the M6 junction 4 off-slip, the following closures will be installed:

M6 junction 4 southbound exit slip road weekend closure:

- From 5am Saturday 7 June to 10pm Sunday 8 June 2025

We have reserved a contingency weekend if we are not able to complete the works during this weekend. The contingency weekend will be 5am Saturday 21 June to 10pm Sunday 22 June 2025.

We will confirm future phases of these works once the dates are confirmed.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
