

## Notice of temporary traffic lights on Waste Lane, Balsall Common

May 2025 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

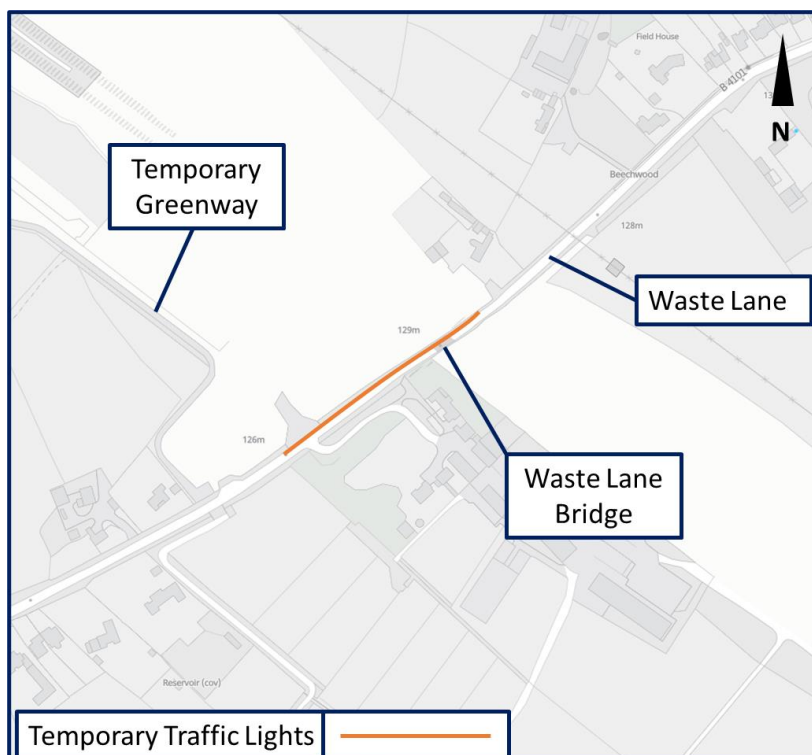

### The work we will be doing

To enable the new railway to pass under Waste Lane, the road will have to be realigned over a new bridge before the existing bridge is demolished.

We need to carry out some preparatory works along the north verge of Waste Lane. To complete these works safely we will be installing temporary two-way traffic lights.

### When these works will take place

The works will take place from Monday 2 June to 27 June 2025 and the temporary traffic lights will be on 24/7.

### Duration of works

Two-way temporary traffic lights from 2 June to 27 June 2025. Traffic lights will be on 24/7.

### What to expect

Low level noise from our work.

Slight delay to journey times.

Access to residents and business will be maintained.

### What we will do

Keep you updated with any changes at [www.hs2insolihull.co.uk](http://www.hs2insolihull.co.uk)

Keep all sites safe and secure.

# Keeping you informed
