

# Updated notice of road closure, A429 Kenilworth Road, Kenilworth

June 2025 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

## The work we will be doing

As we enter the final phases of construction to build the new overbridge and connect the realigned A429 Kenilworth Road, we will be finishing embankments, reinstating and resurfacing the footpaths, positioning final utilities and completing highway drainage works.

## When will these works be taking place?

In order to carry out the works in a safe and secure environment, we needed to close the A429 Kenilworth Road from **Monday 2 June 2025 to Saturday 28 June 2025**.

The team has made considerable progress, and the new bridge and permanent road will be opened to traffic on **Saturday 28 June**.

The closure planned from **Monday 30 June 2025 to Sunday 20 July 2025** is no longer required and the A429 will remain open until late summer. We will need to close the A429 once more to carry out final construction works.

The dates will be communicated once they are confirmed.
