What are we doing?

Drainage works – in June and July we will be completing drainage works along the A4010 Risborough Road, for the construction of the new Stoke Mandeville Relief Road before it connects with the existing carriageway.

During these works there will be a lane closure on the A4010 Risborough Road managed by 2-way traffic lights. We will be maintaining access for pedestrians via a footway diversion including pedestrian crossings.

De vegetation works - in July, will be completing de vegetation works along the A4010 Risborough Road near the new Stoke Mandeville Relief Road at the point it connects with the existing carriageway, close to Freemantle Court.

When will these works take place?

De vegetation works - there will be a two day full road closure from **Monday 7 July to Tuesday 8 July, 9am to 3pm (off peak)**. A diversion route will be in place for all traffic (see map below).
