

A412 lane closure near Denham Waterski Club

May 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Utility works need to take place on a short section of the A412 near to where the Colne Valley viaduct crosses over the road.

Works taking place

As part of the landscaping of the Western Slopes, which the HS2 railway line will cross, a new access point is being created for the Old Shire Lane footpath. Some utilities need to be moved, and to do this safely a lane closure needs to be put in place. Below is a map of the location near to Denham Waterski club. The lane closure is just north of where the Colne Valley viaduct crosses over the A412 North Orbital Road. The lane closure will be 24/7 between Monday 12 May and Sunday 25 May 2025.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
