

Notice of overnight lane closures, A40 Western Avenue, Park Royal

May 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

What we are doing

From **Monday 9 June to Friday 13 June**, we will be doing overnight CCTV surveys within the sewer in Park Royal. This is to check the condition of the sewer further to tunnelling works in the area.

On 9 and 10 June we will access the sewer via a manhole in the alleyway between 356 and 354 Western Avenue. On 11, 12 and 13 June we will access the sewer via a manhole on the A40 Western Avenue.

We will insert cameras into the manholes to survey the condition of the sewer. We may need to wash the sewer with a jet washing machine to improve visibility for the cameras.

How this may affect you

There will be overnight lane closures on the A40 Western Avenue every night from 9 June to 13 June. Two-way traffic will be maintained at all times. The lanes will be closed from 10pm until 5am.

There will be at least one lane closed in each direction every night. We may need to close an additional lane, either westbound or eastbound, on some nights.

On 9 and 10 June, the overnight lane closures will be from 324 to 386 A40 Western Avenue.

On 11, 12 and 13 June, the overnight lane closures will be in front of the Western Avenue Business Park.

The work locations and lane closures are shown on the map on the next page.

There may be some noise if we need to jet wash the sewer. We will use noise reducing barriers where possible.

We apologise for any inconvenience this work may cause.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
