

Notice of road closure and traffic management A361, Chipping Warden

June 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2.org.uk/in-your-area.

What are we doing?

During June we have some activities taking place on the A361 near Chipping Warden.

Over three weekends from Saturday 31, we will be carrying out some utility diversions outside our compound on the A361 Byfield Road, requiring single lane traffic, managed by traffic lights.

On the final weekend we will also be completing some repairs to the larger roundabout, which requires a full weekend road closure between the two roundabouts on the Chipping Warden relief road. The diversion follows the old A361 route through the village. The weekend closure will be followed by three days of traffic management to consolidate the repairs on the roundabout.

Our work for the A361 road realignment will continue throughout 2025 and some traffic management or short road closures will be required during the coming year. We will notify communities of the details in advance in the usual way.
