

Vegetation clearance next to the railway tracks, Old Oak Common

May 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Vegetation clearance

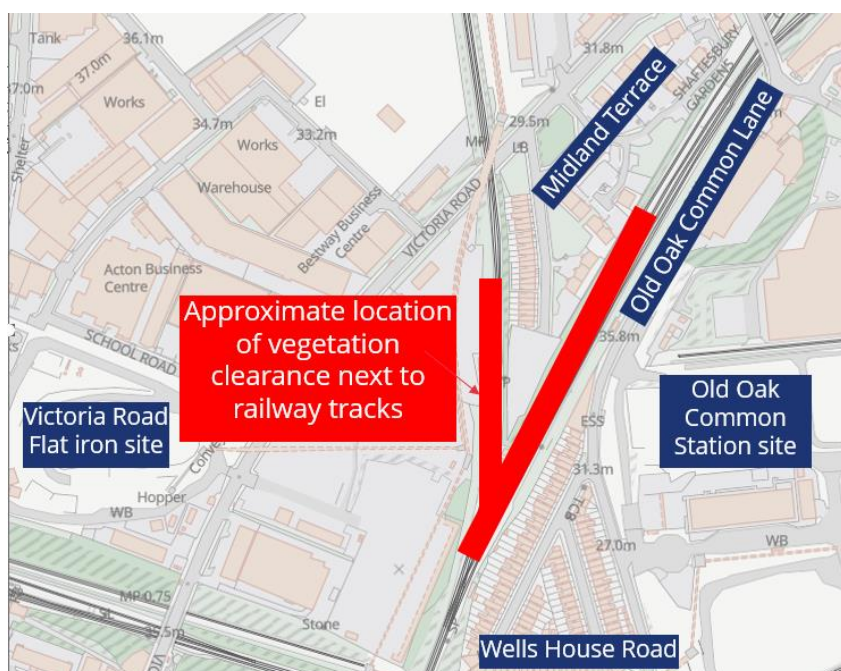

During 2025 we will trim low level vegetation next to the railway tracks behind Wells House Road and Midland Terrace. This is to ensure that visibility for our monitoring equipment is clear at all times.

This work will take place on Saturdays and Sundays. We will work during the day from 7am to 5pm. We may also need to work overnight when there are no trains running, from 9pm until 8am.

We will do this work weekly during the summer, and less often during the winter, to keep the vegetation trimmed.

This work will not be noisy.

The map below shows the location of this work.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
