# HS2 Traffic Management Update

Old Oak Common Lane | April – June 2025

High Speed Two (HS2) is the new high speed railway for Britain. BBVS is the contractor working on behalf of HS2 to construct the Old Oak Common Station.

## Traffic Management update

As we continue with the construction programme at the Old Oak Common station site, we will be working along Old Oak Common Lane between April and June 2025.

New activities include water mains and electricity trial holes and substation enabling works. This work will include temporary traffic lights.

**We anticipate traffic on Old Oak Common Lane to be heavier than usual when temporary lights are in place.**

Please find further information about these activities and their effects within this newsletter.

A number of these works are subject to approvals from the local authorities and therefore dates could change. We will let you know of any changes via the HS2 website and email notifications.

You can register to receive email updates here:

### Duration of works

April – June 2025

### What to expect

Temporary one-way road and footpath closures.

Additional traffic on local roads and noise from equipment used for the works.

### What we will do

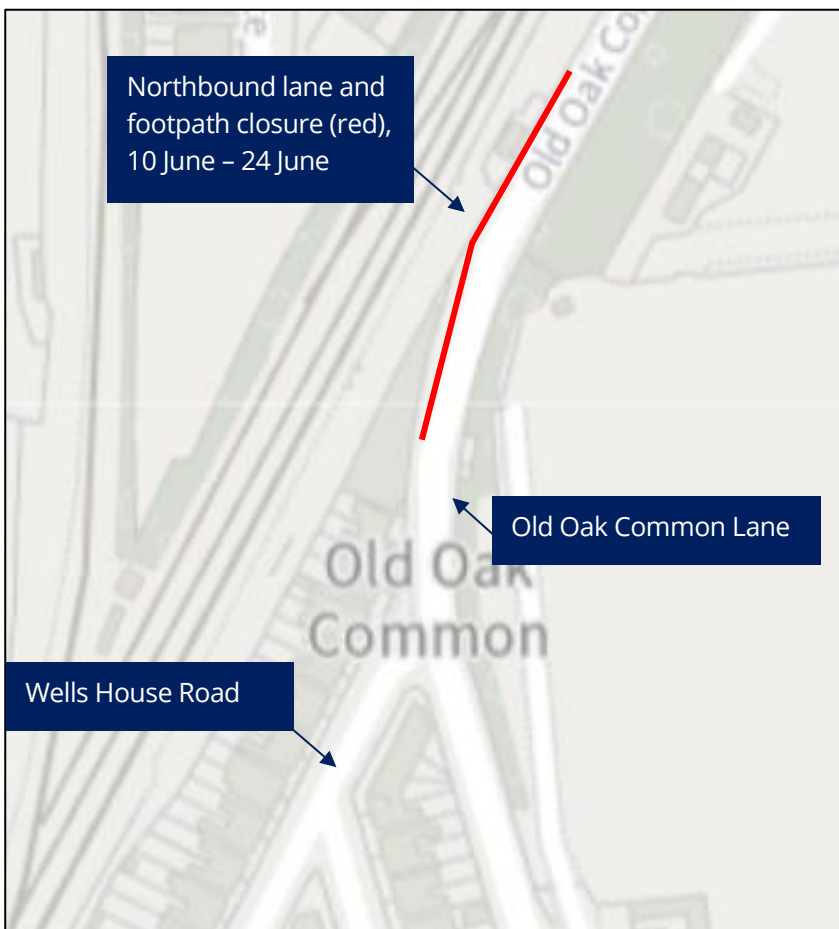

We will work hard to reduce the impact of our works.

We will update the HS2 website with any changes.

## Works scheduled in June 2025

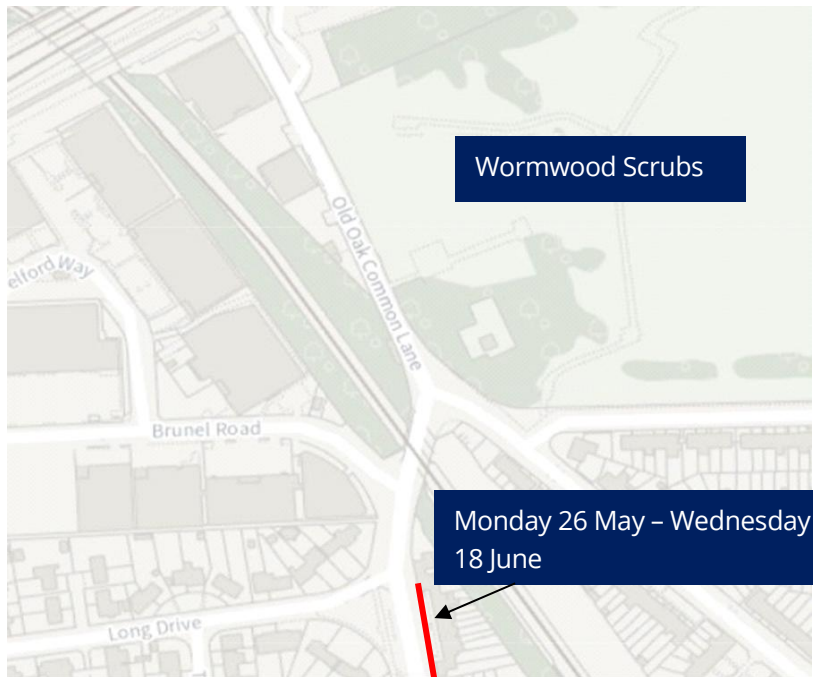

### Utility works on Old Oak Common Lane (north)

Thames Water are carrying out repair works to a water main. To enable them to work safely, temporary two-way traffic lights are in place between **Tuesday 10 June – Tuesday 24 June** (this date subject to extension), in the location shown in the map below. We will need to close both the northbound lane and the footpath outside Kildun Court.

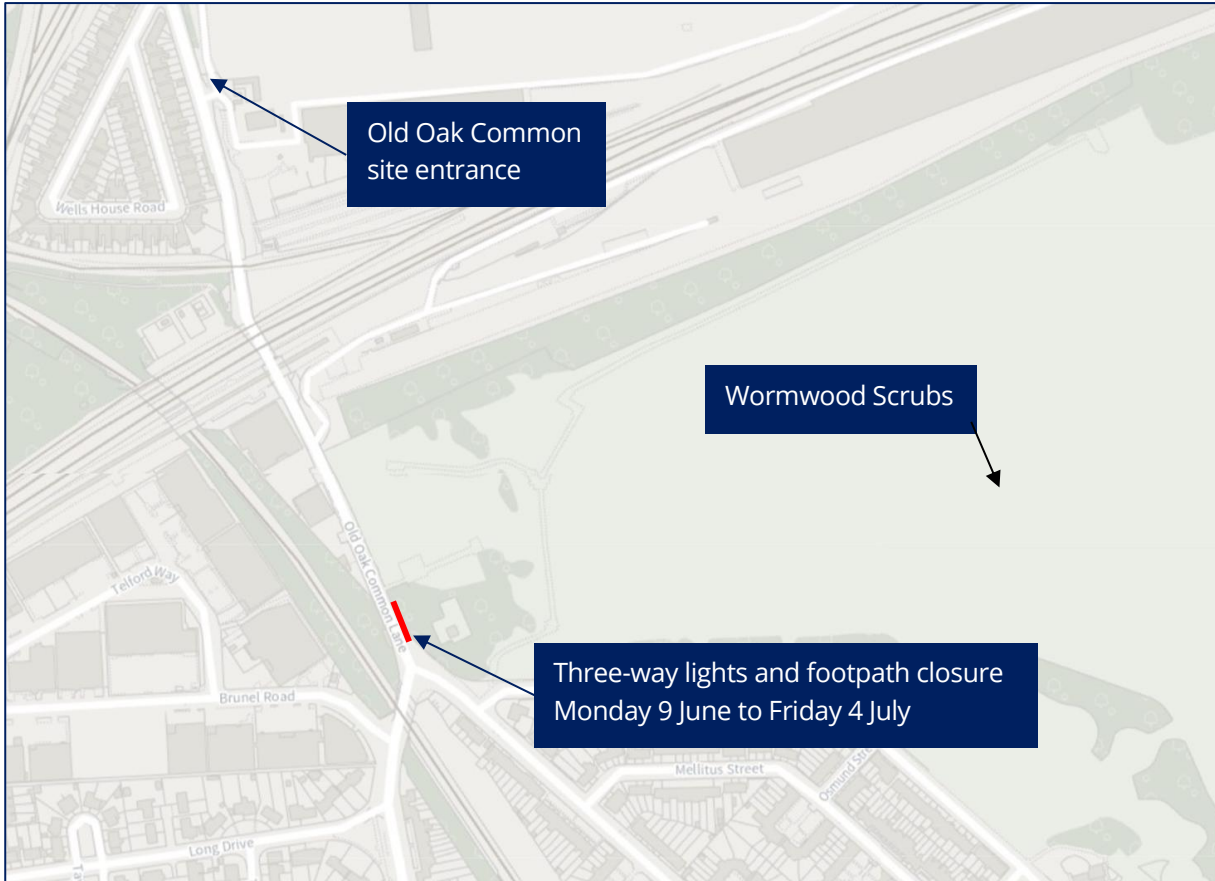

### UKPN diversion – third party works

UK Power Networks (UKPN) need to continue their work on power utilities, as advised in the previous newsletter covering January to March 2025 and available [here](#). The work is taking place at the junction of Old Oak Common Lane with Long Drive, where temporary three-way traffic lights will be in place between **Monday 26 May – Wednesday 18 June**.

### Utility works and substation enabling works on Old Oak Common Lane (south)

Cadent Gas are installing a gas main in the south of Old Oak Common Lane between **Monday 9 June – Friday 4 July**. Three-way lights will be in place and the east footpath, closest to Wormwood Scrubs, will be closed.

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
