

Updated Notice of A452 Chester Road/A446 Stonebridge Road temporary overnight and lane closures – near Bickenhill

July 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

During the weekend of 20 June to 23 June the former A452 Overbridge was successfully demolished. We will be completing further removal and landscaping works in the verges.

To enable us to safely undertake these works we will extend the period of lane closures and also install overnight carriageway closures to enable the traffic management to be installed and removed.

A446 Stonebridge Road southbound overnight closure

From 9pm Monday 7 July to 6am Tuesday 8 July 2025.

A452 Chester Road northbound overnight closure

From 10pm Tuesday 8 July to 6am Wednesday 9 July 2025.

Following these overnight closures, a single lane closure alternating across each carriageway, will remain in place on the A446 Stonebridge Road southbound until Monday 8 September and A452 Chester Road northbound until Tuesday 9 September 2025.

We will require the follow closures to remove the lane closures.

A446 Stonebridge Road southbound overnight closure

From 9pm Monday 8 September to 6am Tuesday 9 September 2025.

A452 Chester Road northbound overnight closures

From 10pm Tuesday 9 September to 6am Wednesday 10 September 2025.

These works are subject to consent.
