High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

We need to complete the tie-in of the new temporary link road onto the existing carriageway, including the excavation of trial holes for utilities works. To regulate the traffic flow, we require traffic management while these works are taking place.

When will these works take place?

We will endeavour to complete these works in or around the set time frames. Please check the HS2 website regularly for any changes or updates.
