

# Cross passage construction near Woodhouse Avenue, Perivale

May 2025 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

## Cross passage construction near Woodhouse Avenue, Perivale

From **19 June to 10 July**, we will be building cross passage 13 near Woodhouse Avenue, Perivale. We're building cross passages between the railway tunnels to allow HS2 passengers to get to a place of safety in an emergency. They are about every 500 metres on the tunnels route.

To build the cross passage, we will break into the side of the completed tunnel. This might cause some noise and vibration, which may be heard or felt as ground borne noise in nearby buildings. We'll work 24 hours, seven days a week. **To avoid overnight disturbance, we'll limit noisy activities to between 7am to 10pm Monday to Sunday** and carry out quieter works at night.

The map below shows the location of cross passage 13. Cross passage 13 is about 20 metres below ground and lies within a thick layer of London clay, which will reduce noise and vibration during these works.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**
