

Update: Monitoring installation, Old Oak Common

July 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

What we are doing

We wrote to you in July about vegetation clearance and monitoring installation from 7 July to 1 August 2025. We need to install an additional piece of monitoring equipment on the Network Rail land when trains are not running on **Sunday 3 August**.

The installation will take under an hour and does not involve any noisy equipment, and will allow us to monitor the area before, during and after building the Old Oak Common Tunnel.

The area where the works will take place is shown on the map below.

How this may affect you

You may notice workers in the area carrying equipment to the works location and vehicles parked in Kildun Court during daytime hours.

Pedestrian access will be maintained at all times, including to Kildun Court.

We apologise for any inconvenience these works may cause.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Sunday 3 August 2025

The monitoring installation will be one hour of works taking place between 10am to 4pm
