

# Noise barrier installation at West Ruislip

**HS2-SCS-26-1788**

## Location

Copthall Tunnel to West Ruislip Portal, north of the Chiltern Line

## Duration

March 2026 to December 2026  
Monday to Saturday, 8am to 6pm

We will limit our work on Saturday afternoons to quieter activities to reduce the impact to residents.

## What we are doing

We previously informed you of our piling and drainage work within the noise barrier sites. We have now finished piling, while the installation of the drainage systems is ongoing.

From April 2026, we will also begin to install concrete noise barrier panels.

## What to expect

There may be periods of noise while we carry out this work.

We apologise for any disruption this may cause.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

### Additional information

You may notice a crane and other large construction machinery on site, as well as concrete noise barrier panels of various sizes being moved around the work areas and lifted into place.

### Where we will be working

Please see the map below for the location of this work.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

### Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: [www.hs2.org.uk/how-to-complain](http://www.hs2.org.uk/how-to-complain)

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
