

Notice of lane closures for planned maintenance A43

June 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions about these works, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inbucksandox.co.uk.

What are we doing?

We are working with National Highways to carry out planned maintenance works along the A43. This will include the maintenance of vegetation on the verges and near central barriers.

Prior to any vegetation removal, an ecologist will complete a detailed survey of the area to be cleared. Any protected species found to be present will be recorded and the vegetation will be left undisturbed with the appropriate buffer zone established. Vegetation clearance will only commence once further surveys and mitigation can be established to confirm that the protected species are no longer present.

Some lane closures are required for the duration of the works. This is for the safety of road users and our staff.

When will these works take place?

Various lanes on the A43 will be closed, overnight, from 8pm to 6am on the below dates.

- 25 June to 26 June a Northbound lane 1 closure
- 26 June to 27 June a Northbound lane 2 and Southbound lane 2 closure

We will work to fully open the roads to reduce disruption as soon as possible, please be aware there may be delays due to the reduction of lanes in some locations.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
