

## Notice of road closure, Banbury Lane, Thorpe Mandeville

June 2025 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at [www.hs2.org.uk/in-your-area](http://www.hs2.org.uk/in-your-area)

### What are we doing?

Between Thorpe Mandeville and Culworth we have been building the Lower Thorpe viaduct. In mid-June we will be launching the Lower Thorpe viaduct over Banbury Lane. The viaduct deck structure is made of steel which will be launched across the piers using a winch. This launching process involves sliding the entire structure into place using a counterweight at the nose and tail help keep the metal frame in line to land smoothly on the piers as it progresses.

While we complete this activity above the road, a short closure of Banbury Lane is required, with a signed diversion along the Greatworth Temporary Road.

Access will be maintained for businesses and residents on Banbury Lane.

### When will these works take place?

- 6am Wednesday 18 June to 6am Friday 27 June 2025

These dates may be subject to local authority consents and approvals change, and circumstances outside of our control, such as poor weather.
