

Update: Borehole work on Fellows Road, Swiss Cottage

September 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

What we are doing

We wrote to you recently about works to fill in a borehole on Fellows Road on the 1 and 2 October 2025. These works have been rescheduled to take place on **Thursday 9 October 2025** and finish on **Friday 10 October 2025**. During these works we will fill a borehole in the road outside 113 Fellows Road with concrete. We will place barriers around the borehole while we work. The barriers may stay in place until **11 October 2025** to allow the concrete and tarmac to set.

How this may affect you

We will suspend two parking bays around the borehole. There may be some noise when we dig a small section of road and fill the borehole with concrete.

We apologise for any disruption this work this may cause.

Location of borehole, Fellows Road NW3
