

Update: Utility works outside Cubitt Court extended

September 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Works extended on Stanhope Street corner with Park Village East – 11 August to 10 October 2025

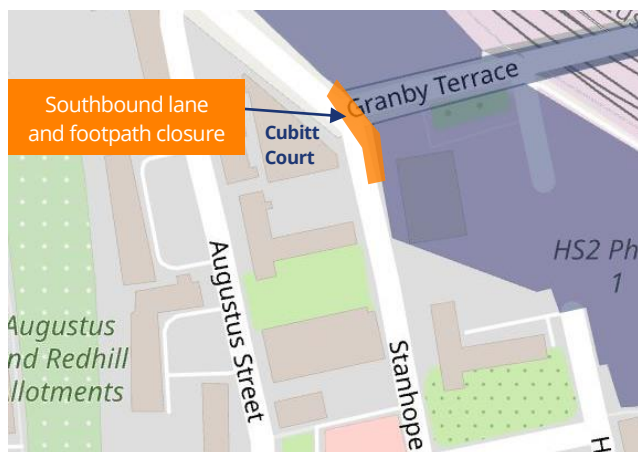

We need to install UK Power Network (UKPN) ducts in the road and footpath outside our site access gate at the junction of Stanhope Street and Park Village East, opposite Cubitt Court.

We previously informed you that these works will finish in late September. However, due to programme delays, works will now finish on **Friday 10 October**.

To complete these works, we have installed a 2-way set of temporary traffic lights to control the flow of traffic. There are crossing points at either end of the worksite to divert pedestrians to the opposite footpath. This traffic management will remain in place until works are completed.

We will minimise noise impacts where practicable to ensure we are working within the approved limits.

We apologise for any inconvenience caused.

Please see our [coordination map](#) on the HS2 website to view information about these works, and any other works taking place in the Euston area.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk
