

# Notice of temporary daytime closure of Truggist Lane, Berkswell

August 2025 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

## The work we will be doing

As part of our ongoing works to Balsall Common Viaduct at Truggist Lane, we are now ready to remove some sheet piling for the pier closest to the road. Sheet piling is a system used for temporary excavation support or retaining walls and can be removed after its purpose is served.

## When will these works take place

In order for us to carry out these works safely, we will close Truggist Lane. **Phase one** from Monday 18 August to Friday 22 August 2025. **Phase two** will be from Tuesday 26 August to Friday 29 August 2025. The closures will be in place from **9.30am until 3.30pm each day**. A fully signed diversion route will be in place. Please note if the works progress well on a day-to-day basis, BBV will lift the closure earlier than mentioned.

Please note that our highway consent requires Baulk Lane to be closed when Truggist Lane is closed. Access for residents will be maintained.

**Please note due to the nature of the work being carried out pedestrians and cyclists will be escorted through the closure.**

**These works are subject to weather conditions. We will also keep you updated through [www.hs2insolihull.co.uk](http://www.hs2insolihull.co.uk). Please see map overleaf.**

**If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email [HS2enquiries@hs2.org.uk](mailto:HS2enquiries@hs2.org.uk)**

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.
