

Notice of road closure, A4010 Risborough Road

July 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

Stoke Mandeville Relief Road connection – from mid August to early September, we will be closing a section of the A4010 Risborough Road in order to build the connection with the new relief road, which has been under construction throughout this year.

The new relief road will remain closed to public traffic to allow Thames Water to complete utility works along the new road. Traffic will remain on the existing A4010 Risborough Road at the conclusion of this road closure from early September.

Pedestrian access will be maintained throughout the closure and a signposted diversion route for general traffic will be in place. In order to complete the required work and reopen the road as swiftly as possible, we will be working 24 hours a day with consent from Buckinghamshire Council during these periods.

We expect a further road closure of the A4010 Risborough Road later in the autumn once these utility works are complete. We will publish further details on this when they are confirmed. After this, the new relief road will open to the public in conjunction with phase 2 of Buckinghamshire Council's South East Aylesbury Link Road (SEALR).

When will these works take place?

The A4010 Risborough Road will be closed between:

- **7am on Wednesday 20 August to 4am on Monday 8 September**

We will endeavour to complete these works in the period stated above. However, these dates may change due to conditions outside of our control. Please visit www.HS2inyourarea.co.uk where the latest updates on these works will be published.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
