

Notice of A41 Lane Closure and Traffic Management

July 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

During July, we will be carrying out utility related works along Bicester Road (formerly the A41) and the new A41 Bicester Road. The works will consist of:

Excavating trial holes - we will be carrying out verge works on the Bicester Road (formerly the A41) to confirm the location of existing utility connection points.

Conducting Surveys - we will also be completing survey works to locate utilities under the A41 Bicester Road outside the EKFB compound near Fleet Marston.

For reasons of safety, these works will take place under lane closures with traffic management in place.

When will these works take place?

There will be single lane closures with traffic management as below:

Trial Hole works on Bicester Road (formerly the A41) – under a single lane closure managed by traffic lights between 8.30am and 5.30pm from Monday 14 July to Thursday 17 July

Survey works on the A41 Bicester Road – under a single lane closure managed by traffic lights between 9am and 3pm from Monday 21 July to Friday 25 July

These dates may change due to conditions outside of our control. Please refer to the HS2 website regularly to check for any changes and updates.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
