

Notice of overnight closure of Meriden Road – Hampton-in-Arden

October 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing.

The new railway will pass Hampton-in-Arden to the northeast on an embankment near Patrick Farm, a viaduct over Meriden Road and a cutting underneath a newly aligned Diddington Lane.

Work on the viaduct is at an advanced stage, and we are starting to construct the piers either side of Meriden Road. For the safety of all road users, we will need to temporarily reduce the width of the road and manage the road space using two-way traffic lights. These lights will then be in operation until Autumn 2025.

To install this new traffic management, we will need to close the road overnight from 9pm until 6am on Tuesday 12 November and Wednesday 13 November.

Location Plan

Duration of works

Road closed over night from 9pm until 6am on Tuesday 12 November and Wednesday 13 November.

Temporary two-way traffic lights in place until Autumn 2025.
