What are we doing?

Next to the Wormleighton Road and Stoneton Lane (Leisure Drive) we are beginning the earthworks and foundations for the Stoneton Lane green overbridge.

To continue this work we need to add safety barriers along the side of the road. Due to the access required to lay the foundations for the barriers and lift the concrete barriers into place, a road closure is required a weekend road closure.

Access will be maintained through the road closure for local farmers.
