

# Notice of traffic management on Cadbury Drive, Castle Vale

July 2025 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

## The work we will be doing

To continue our preparation for the construction of the HS2 railway, we will be undertaking utility works on Cadbury Drive, Castle Vale. Works will include removing a redundant gas pipe located parallel to Cadbury Drive and will be working in close proximity to residential properties. We do not anticipate causing significant disruption. The works will not generate any vibration, and only minimal noise is expected from the use of cutting tools. These activities are necessary to provide access to the pipe scheduled for removal.

## When the work will take place

To complete these works safely, we will install traffic management from Monday 11 August to Friday 29 August. The traffic management will be in place 24 hours a day, seven days a week.

## Where we will be working

See below map detailing the traffic management:
