

# Notice of temporary traffic management, Whielden Lane, Amersham

High Speed Two (HS2) is the new high speed railway for Britain. This notice is to inform you of temporary traffic management on Whielden Lane, Amersham, Buckinghamshire to facilitate essential highways works.

## How will these works affect me?

Three-way traffic signals will be in place 24/7 on Whielden Lane:

- From Monday 4 August to Sunday 17 August 2025

Traffic management will operate and control traffic flows to ensure that operatives can work safely in the carriageway.

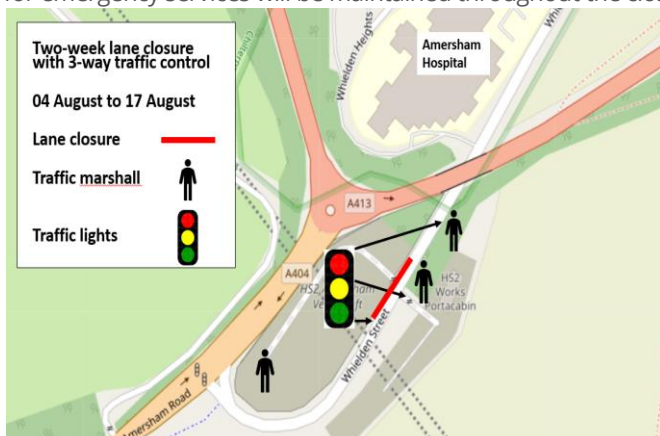

## What will we be doing?

Following the previous drainage works we will realign and surface the highway between the site entrance and Whielden Lane. This will include the kerb tie-ins which connect pavement surfaces to a road or carriageway from a footpath. This is crucial for preventing issues like cracking, water damage and uneven surfaces.

See map of the works on the following page.

Pedestrian access will be maintained along Whielden Lane throughout the works.

Access for emergency services will be maintained throughout the closure period.
