
Notice of traffic management, Rocky Lane, Wendover

August 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain, if you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

We have been constructing the permanent realignment of Rocky Lane and underbridge to allow the HS2 route to pass over the road. Following the re-opening of Rocky Lane in August 2025, we will reinstate the plant crossing across Rocky Lane to allow site vehicles to pass through safely for delivery of materials, connecting our internal road network. We expect the plant crossing to be in operation until December 2026.

There will be a manually controlled 2-way traffic light system to enable the plant crossing to operate safely.

When will these works take place?

- **18 August 2025 – 31 December 2026**

These dates may be subject to change due to circumstances outside of our control but works will be completed in or around the set timeframes.

Should our works be completed earlier than anticipated, we will commit to removing the traffic management upon completion.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
