

Overnight vegetation trimming for Canterbury Works site

August 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

What we are doing

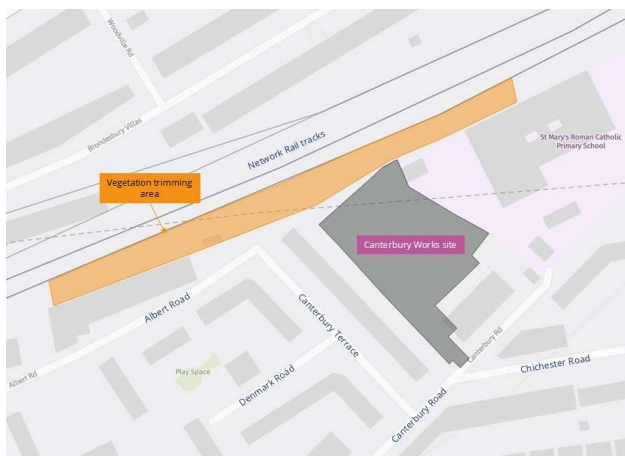

From **9pm Saturday 23 August 2025** to **7am Sunday 24 August 2025** we will be carrying out vegetation trimming along a section of Network Rail land surrounding our Canterbury Works Ventilation Shaft and Headhouse.

We must complete this work to ensure clear visibility for our monitoring equipment located in the area. The works will take place overnight to avoid rail disruptions.

How this may affect you

Trimmers and hand tools will be used for this work. We are not expecting to cause any major disruption to local residents; however, you may hear additional noise at times.

We will aim to minimise disruption where possible. We apologise for any inconvenience this work may cause. The map below shows the location of the Canterbury Works site and vegetation trimming works.
