

Update: Overnight and weekend works in Euston Approaches

October 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Hoarding maintenance on Hampstead Road

Following our site safety stand down, we have now begun a safe restart of works across our sites.

We carry out regular maintenance to our site hoarding once a month on a Saturday night. We will carry out this work overnight on **1 November**.

We will temporarily close the northbound lane on Hampstead Road and maintain two-way traffic in the southbound lane. You may notice brief periods of noise as we clean the road and hoarding.

Weekend site maintenance – 1 and 2 November 2025

We will be replacing our existing turnstiles at our site entrance on Harrington Street. We had planned to do this on 11 and 12 October, but due to our safety stand down we have now rescheduled this to **Saturday 1 November** from **8am to 5pm** and **Sunday 2 November** from **8am to 1pm**.

We will use a crane to lift the current turnstiles out of position and install new turnstiles. We do not expect these works to be noisy.
