Update: Overnight and weekend works in Euston Approaches

November 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Overnight and weekend working in Euston Throat

We are continuing our works for the Network Rail wall removal in the Euston Throat area.

Due to the proximity of the wall to the live railway, and the associated risk of debris falling on the tracks, we have installed scaffolding to allow us to complete this work safely during our core hours.

We will work **overnight on Saturdays** as required to reduce the height of the scaffold, as we lower the wall. We can only carry out the scaffolding works when the rail tracks below are not in use. We have chosen the quietest methods possible for this work to reduce impact to neighbours.

We will work **overnight** on Saturdays, **9pm to 9am** on the following dates:

- Saturday 22 to Sunday 23 November 2025
- Saturday 29 to Sunday 30 November 2025
- Saturday 6 to Sunday 7 December 2025
- Saturday 13 to Sunday 14 December 2025
- Saturday 20 to Sunday 21 December 2025

Overnight and weekend working in Camden Cutting north

We carry out regular surveys and monitoring of the bridges and structures within the railway cutting, to inform and assess the impact of our works. For safety, due to the location of these structures, we can only carry out these surveys when the tracks are not in use.

We will be performing some overnight routine inspections within our site on **Saturday 29 November**. We are also required to remove some tools and materials next to the Network Rail tracks, within the railway cutting. These works will take place on **Saturday nights in November, 9pm to 9am**, and will be carried out by hand. We do not expect these works to be noisy.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk
