

Update: Hampstead Road utility diversion works - north

October 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

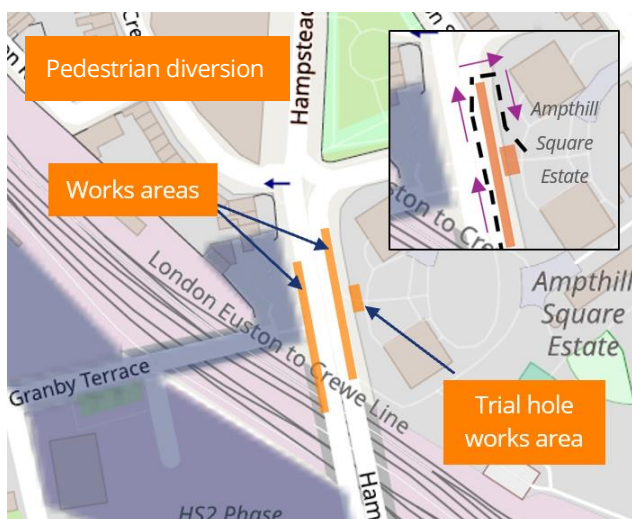

Hampstead Road northern section utility works – 21 October to 23 December

Following our site safety stand down, we have now begun a safe restart of works across our sites in Euston Approaches. From **21 October to 23 December** we will continue our utility diversion works within the northbound outside lane on Hampstead Road near Granby Terrace bridge.

From **3 to 28 November**, in addition to the outside northbound lane closure, we will close one outside southbound lane on Hampstead Road.

We will also dig a trial hole in the eastern footpath on Hampstead Road. We will partially close the footpath and divert pedestrians up and around the closure to maintain access to Ampthill Estate as shown on the map below. We will hand dig, survey, and then reinstate the area.

There may be some periods of increased noise as we complete this work. We will continue to monitor the traffic management and reduce impacts where possible. We apologise for any inconvenience caused.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk
