

Notice of temporary overnight closures on A45 Coventry Road eastbound, East Way and East Way off slip – near Bickenhill

August 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

The new high-speed railway will pass under the A45 Coventry Road as it approaches the new interchange station being built in Solihull. To enable HS2 to pass under the A45, a new overbridge will be constructed which will carry the eastbound and westbound carriageways and its two adjoining slip roads known as East Way and Service Road.

The A45 Coventry Road Overbridge will be constructed in phases. The first phase of construction was completed in May 2025. During summer 2025 we have undertaken some utilities works, creating a new access into our compound, and carried out the installation of safety barriers.

This work is nearly complete; our workforce will now progress the remaining utility connection and remedial works within the area.

To enable us to carry out our activities safely the following traffic management will be in place.

Overnight full carriageway closures:

- **A45 eastbound, East Way and the East Way off slip towards Stonebridge Island** each weeknight from 9pm Wednesday 27 August to 6am on Wednesday 10 September 2025.

A45 Coventry Road eastbound single lane closures

Each weekday a single lane closure will remain in place from 6am on Thursday 28 August to 9pm on Tuesday 9 September 2025.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
