

Notice of temporary traffic lights on B4455 Fosse Way, at the Welsh Road and the Long Itchington roundabouts

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

We are continuing to progress works for the new realignment of the B4455 Fosse Way Overbridge and the associated utility diversions. To carry out these works safely, we will need to put in place temporary traffic lights on B4455 Fosse Way. These works will include utility diversions and realignment works in preparation for the Fosse Way Overbridge construction.

When will these works be taking place?

There will be temporary multi-way traffic lights on B4455 Fosse Way, at the Welsh Road and the Long Itchington roundabouts, from **Monday 15 September until Sunday 19 October 2025**. The traffic management will be in place **24/7**.

What to expect

You may notice increased construction activity along the highway, with some minor disruption to your journey. Please allow enough time for journeys. Access to properties, and for pedestrians and cyclists will be maintained while the works are being carried out.

Community drop-in event: Come and talk to us on Wednesday 24 September 2025 between 11am and 2pm at the Southam Library & Information Centre.

This is an opportunity to find out more about upcoming work in the area and ask our team any questions you may have. Please see further details on page 3.
