

# Notice of road closure, Crackley Lane, Kenilworth

August 2025 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high-speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

## The work we will be doing

As we prepare for the permanent realignment of Crackley Lane in Spring 2026, we need to complete final utility connections and carriageway tie in works. To do these works safely several phased road closures are required in 2025 and 2026.

We will need to close a section of Crackley Lane between Blind Lane, Cryfield Grange Road and South Hurst Farm. Once these works are completed in 2026 the new road will be open to the public.

## When these works will take place

The first closure will be from **Monday 22 September to Saturday 11 October**.

The second closure will be from **Monday 10 November to Saturday 6 December**.

Further closures will be required in Spring 2026 to complete the next stage of works. Details of the closures will be shared once the dates are confirmed.

## What to expect

The closures will be in place 24 hours a day while the works are carried out.

Access to properties will be maintained throughout the closure. There will be no access for pedestrians and cyclists.
