

Notice of temporary overnight lane closures on the A452 roundabout over the trace (connecting the, A446 Stonebridge Road, A446 Link Road and A452 Chester Road) – near Bickenhill

August 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

A new high-speed railway station is being built in Solihull, forming a key part of the HS2 network. Located close to the M42, A45 Coventry Road, and A446 Stonebridge Road near the NEC, Birmingham Business Park, and Birmingham Airport.

To ensure the local road network can support future traffic once the new high-speed railway and Interchange Station in Solihull are fully operational, significant improvement works have already been completed within the local area.

As part planned works within our programme, we will be carrying out a series of duct surveys overnight, on the newly constructed roundabout over the trace connecting the A452 Chester Road, A446 Stonebridge Road, and the A446 Link Road (near Melbicks Garden Centre).

To ensure our workforce can safely complete these works, overnight lane closures will be in place from Monday 1 September until Wednesday 3 September 2025 as whilst carry out our activities.

Overnight lane closures:

Each night from 8pm Monday 1 September until 6am Wednesday 3 September 2025.

These works are subject to consent.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
