

## Temporary overnight lane closures on the M6 motorway between junction 4 and 4a – near Chelmsley Wood

August 2025 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

### The work we will be doing

The M6 South Viaduct will carry the new high-speed railway over the M6 motorway and adjoining slip road, near Birmingham Business Park, Birmingham Airport and the NEC in Solihull. We successfully completed the first phase of the M6 South Viaduct launch over the slip-road on 8 June 2025.

Before progressing the second launch of the viaduct across the M6 motorway in September 2025, we need to carry out a series of surveys on the existing lighting columns located within the central reservation. To ensure the safety of our workforce while undertaking these activities, the following traffic management measures will be put in place:

#### M6 motorway northbound and southbound carriageway overnight lane 2 and 3 closures between junctions 4 and 4a

- Each night from 9pm to 6am on Tuesday 26 August, Wednesday 27 August 2025

Details of the next phase of works for the M6 South Viaduct structure, scheduled to commence in Autumn 2025, will be communicated once confirmed.

**These works are subject to consent.**

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
