

Notice of temporary overnight road closure, Dalehouse Lane, Kenilworth

August 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

As we prepare to build the new Dalehouse Lane Overbridge we need to carry out some early works and build the access into the Dalehouse Lane compound. These works need to be completed ahead of the 14-month road closure for the road realignment, that is currently scheduled to start at the beginning of 2026.

To do this work safely, temporary road closures are required. We will be closing Dalehouse Lane overnight, over a two-week period in October.

When the work will be taking place

We will be closing Dalehouse Lane from **Monday 6 October to Friday 10 October**, and from **Monday 13 October to Friday 17 October**. The closures will be in place between **8pm and 6am**.

What to expect

You will notice increased construction activity during the closures and experience some minor disruption to your travel times. Please plan ahead before starting your journey to avoid any delays.

A fully signed diversion route will be in place throughout the period of closure.

Access to properties will be maintained throughout the closures.

Pedestrian access will be unaffected, and the road will be closed to cyclists.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
