

Temporary off-peak daytime closures on Packington Lane – near Bickenhill

August 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

As part of the works to deliver Britain's new high-speed railway and the construction of the new HS2 Interchange Station in Solihull, we have been carrying out significant works along the A452 Chester Road and A446 Stonebridge Road.

As part of our planned programme of works, we will be carrying out a series of utility works on Packington Lane during September and October 2025.

To minimise disruption, works will take place on weekdays (Monday to Friday) during off-peak hours, with closures in place between 9:30am and 3:30pm. To ensure we complete our works safely the following temporary traffic management will be installed.

Packington Lane off-peak daytime closures

- Each weekday from Monday 8 September until Friday 12 September 2025 between 9.30am to 3.30pm
- Each weekday from Monday 13 October until Friday 31 October 2025 between 9.30am to 3.30pm

Access to Packington Lane via the A452 Chester Road

Access to all properties and businesses on Packington Lane will be maintained throughout these works. Access and egress via the A452 Chester Road (northbound and southbound) will remain available. Road users will be safely marshalled through the closure points during working hours on each weekday.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
