

Notice of road closure, Banbury Lane, Thorpe Mandeville

September 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2.org.uk/in-your-area

What are we doing?

Between Thorpe Mandeville and Culworth we have been building the Lower Thorpe viaduct. Earlier this summer, the Lower Thorpe viaduct was launched over Banbury Lane. In order to complete the next phase of the works, the viaduct deck concrete slabs need to be installed.

Whilst we complete this activity above the road, to ensure the safety of road users, short closures of Banbury Lane are required. There will be daytime closures to erect scaffolding, followed by a full closure for the concrete works.

A signed diversion will be in place using the Greatworth Temporary Road. Access will be maintained for businesses and residents on Banbury Lane.

We anticipate further short closures will be required to Banbury Lane, Thorpe Mandeville whilst we complete the construction of the viaduct.

When will these works take place?

- Thursday 18 to Friday 19 September, 7am to 7pm
- Monday 22 to Friday 26 September, 24 hours a day

These dates may be subject to local authority consents and approvals change, and circumstances outside of our control, such as poor weather.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
