

Notice of road closure, traffic lights and night work A361, Chipping Warden

August 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2.org.uk/in-your-area.

What are we doing?

Construction of the new section of the A361 near Chipping Warden continues this summer. Over the upcoming weeks, we will be completing some of the utilities connections in the area.

To complete these activities safely, we will require a lane closure on the A361, managed by traffic lights. The exact location of the traffic lights will move depending on where we are working.

We will also require a weekend road closure between the roundabouts on the Chipping Warden relief road. The diversion follows the old A361 route through the village.

In preparation for utility partners to complete their activities, we will be using a specialised piece of equipment to excavate the area for this work. There will be some additional noise associated with the excavation activities for a limited time. We will be completing this work on Friday 29 August, from 8pm until midnight at the latest. As well as Saturday 30 August in the morning from 9am.

When will these works take place?

Traffic management for a single lane closure will be in place from:

Monday 25 August until Monday 8 September 2025

Weekend road closure, between the roundabouts:

8pm on Friday 29 August until 6am on Monday 1 September 2025

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
