Update: Boundary wall and drainage works at South Ruislip Vent Shaft

HS2-SCS-26-2337

Location

South Ruislip Vent Shaft site, Victoria Road, South Ruislip

Duration

Ongoing until 30 July 2027

Core hours: Monday to Friday, 8am to 6pm
Saturdays, 8am to 1pm

From 17 August until 4 September 2026, we will be working overnight on the southern boundary wall.

We will work on weeknights, except Thursdays, from 10pm to 5am, and on Saturdays and Sundays from 10pm to 6:30am

What we are doing

Continuing works to build the boundary walls and installing drainage throughout the site.

What to expect

Some noise and vibration. We will use noise reducing barriers where possible.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Freephone **08081 434 434**

Update on boundary walls

We wrote to you in June 2026 to let you know about boundary wall and drainage works at the South Ruislip Vent Shaft. We told you that work on the southern boundary wall would restart on 20 July 2026. This date has changed, to allow for further design work, and work will now restart on **17 August until 27 November 2026**.

For safety reasons, we need to complete some of the work overnight when trains are not running. We will work every night except Thursdays from 17 August to 4 September 2026. We will remove fencing and temporary foundations and then install pre-cast walls using an excavator and handheld tools.

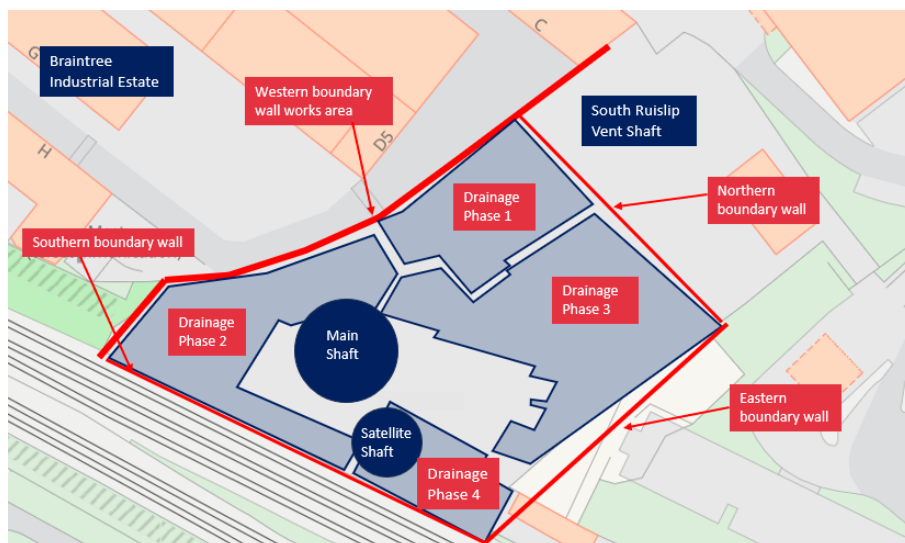

Work on the western boundary wall will be completed in September 2026. We will then work on the eastern and northern boundary walls until June 2027.

Drainage works on site are ongoing until July 2027

These works include ground excavation and installation of pipes and manholes. Priority has been given to other works on site, and the drainage works will be scheduled to align with and accommodate these works.

Where we will be working

The map below shows the locations of the boundary walls and drainage works.

Drainage phase 1:
Completed

Drainage phase 2:
Ongoing to January 2027

Drainage phase 3:
Ongoing to June 27

Drainage phase 4:
Ongoing to July 2027

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: www.hs2.org.uk/how-to-complain

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.

For more information visit: www.hs2.org.uk/independent-commissioner
