

Notice of overnight closures of the M42 northbound carriageway, near Water Orton

September 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

As part of our ongoing construction works on the M42 Water Orton Viaducts, our teams continue to construct the parapets to install the viaducts spanning the motorway.

To allow us to complete these works, we will be installing overnight road closures to change the traffic management layout at the Water Orton Viaducts to relocate works into the central reservation.

There will be a full road closure of the **M42 northbound carriageway** from junction 6 to 9, the M6 connector road northbound from M6 junction 3a to M42 junction 7 and M6 M42 link road eastbound closure from M6 southbound at junction 4a to M42, each night.

When the work will take place

To ensure the safety of our workforce, we will be installing an overnight road closure on the **M42 northbound** for five nights, from **9pm each night and re-opening at 5am each morning**. See below a breakdown of these overnight closures:

- Monday 06 October
- Tuesday 07 October
- Wednesday 08 October
- Thursday 09 October
- Friday 10 October

This work is subject to consent with National Highways.
