What we are doing

From **8pm on Friday 3 October** to **8pm on Sunday 5 October 2025**, we will remove the conveyor bridge over Breakspear Road South, located between the Chiltern Railway bridge and the HS2 Breakspear Road South bridge.

These works will be carried out 24/7 over a whole weekend which will require a full road closure on a section of Breakspear Road South.

We will dismantle the conveyor bridge in sections using an excavator before lifting them out with a crane and transporting the sections off site. These works will be carried out 24/7 over a whole weekend.

Please note, these works can only be carried out under rail possession, therefore, to ensure completion we have a contingency date in place from 8pm Friday 17 October to 8pm Sunday 19 October.

Please see the following pages for more information about the works, maps and traffic diversion routes.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

How these works will affect you

From 8pm Friday 3 October to 8pm Sunday 5 October, to ensure the safety of our staff and the public, the following will apply during the removal of the conveyor bridge:

- Full road closure of Breakspear Road South, with no road access for vehicles, cyclists and pedestrians
- Full closure of the pedestrian crossing for the Celandine Route diversion.

The closures are located south of the Chiltern Railway bridge and north of the HS2 bridge on Breakspear Road South. A clearly signposted diversion route will be in place via Swakeleys Road B467/ High Road B466/ Ickenham Road/ High Street/ Bury Street A4180/ Breakspear Road.

The closure of the diverted Celandine Route will also be clearly signposted, on Breakspear Road South on both sides of the road closure, and on the diverted footpath south of the Chiltern Railway.

Local access to residential properties will be maintained either side of the road closure, however, there will be no through access for:

- Emergency services
- Cyclists
- Vehicles
- Pedestrians

We will monitor noise, dust, and vibration throughout these works to ensure levels remain with agreed limits.

We would like to apologise for any disruption or inconvenience these works may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way. We will ensure that disruption is kept to a minimum.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltdresidents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (https://bit.ly/3oOA25j).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
