

Notice of traffic management, A413 London Road, Wendover

September 2025 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In September, we will be carrying out further construction works at the Small Dean Viaduct. A weekend of overnight closures on the A413 is required to allow plant to move freely between the Small Dean Viaduct site and the A413 work area. This will support the reinstatement of the Network Rail cutting during a scheduled possession of the railway. For updates to railway travel during this weekend, please visit <https://www.chilternrailways.co.uk/>.

The works also include a weekend plant crossing to transport stone across the A413 into the worksite. Site vehicles will cross whilst the plant crossing is live, and a protective mat will be laid on the road to help reduce mud being transferred onto the highway.

When will these works take place?

Overnight road closures (8:30pm – 5:30am):

- **Friday 19 September – Monday 22 September 2025**

Plant crossing (6:00am – 6:00pm):

- **Saturday 20 September – Sunday 21 September 2025**

To minimise disruption, we will introduce a fully signposted diversion route.

These dates may be subject to change due to circumstances outside of our control but works will be completed in or around the set timeframes.

Should our works be completed earlier than anticipated, we will commit to reopening the road upon completion.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

Overnight road closures (8:30pm – 5:30am):

- Friday 19 September – Monday 22 September 2025

Plant crossing (6:00am – 6:00pm)

- Saturday 21 September – Sunday 22 September 2025

What to expect

Overnight road closures of the A413 with diversion routes.

Plant crossing with two-way traffic management

Various activities around the perimeter of the A413

What we will do

Respond promptly to any complaints we may receive and action accordingly.

Manage any environmental impacts, such as traffic and noise.

Take care to respect the community.

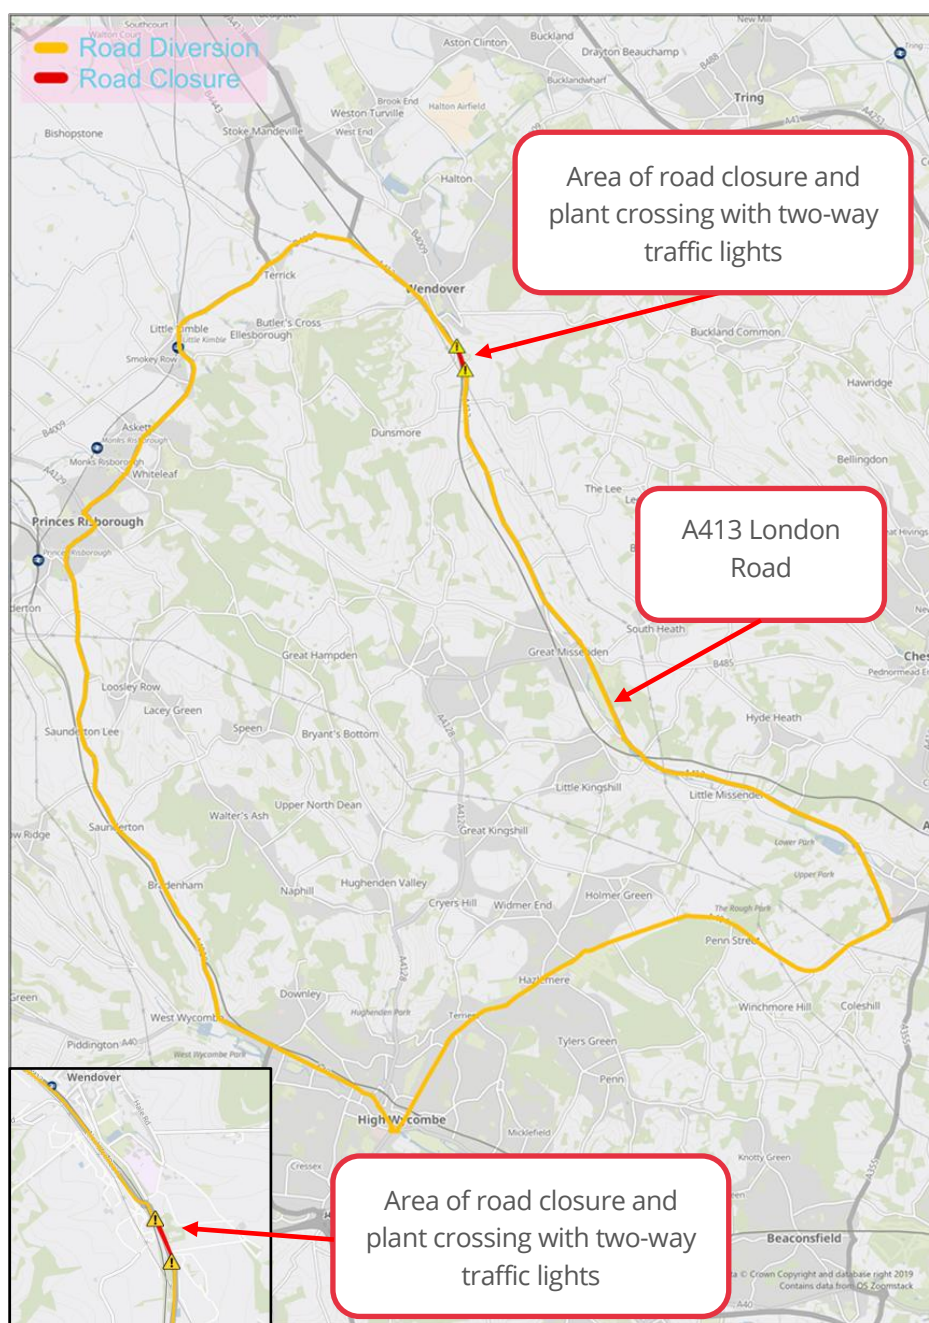

Notification

www.hs2.org.uk

Where will the closure be?

The map below shows the area for where the plant crossing and the planned overnight road closures will be taking place. During the road closures, a fully signposted diversion route will be in operation.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain
